

Children's Ministry Parent Guide:

PARENT RESPONSIBILITIES:

- Complete registration card & child label for each child in its entirety!
- Sign your child in and out every week.
- DO NOT send siblings to pick up your younger children - we will not release them.
- Please keep your child with you or at home if he/she has had a rash, fever, vomiting or cold symptoms in past 24 hours so that the other children stay healthy. This includes colored mucous.
- Please notify and remind your child's teachers of any food allergies or other concerns, and refrain from sending snacks from home unless your child is in babies or toddlers.
- Please have your child keep all toys at home!
- Have your child bring their Bible every Sunday!
- Follow up with what your child learned at Sunday School or Children's Church during the week. Talk and pray around the same topics.
- Talk to your child's teachers or the Children's Director if you have special concerns or would like to know more about the curriculum.

Support for Parents and Guardians:

- Parents/guardians should feel free to contact their child's Sunday School or Children's Church teacher with any questions about the curriculum, or support that they may need in training their child to love and fear the Lord.
- Parents may also feel free to contact any of the ministry's directors or pastors.
- There will be a monthly newsletter sent out every month and posted on the website at www.vbbbc.org with all children's related events, news, and needs!
- The Children's Ministry prays that God will use this ministry to *"To educate, encourage & equip children & their families to live for Christ."*
