

January Newsletter

Therefore, if anyone is in Christ, he is a new creation; the old has passed away, and see, the new has come! 2 Corinthians 5:17

Regardless of how you feel about New Year's resolutions, everyone loves the idea of a fresh start! We look at the New Year as an opportunity to take better care of ourselves, treat others better, or even improve our walk with God.

The only true fresh start, of course, has nothing to do with a simple one-digit date change or a "magical" moment at midnight. Like the caterpillar's change to a butterfly, we become a brand new being upon accepting Christ! Only He can change us, if we let Him.

If your child asks about resolutions, consider using the example of the caterpillar's metamorphosis to explain. Children believe in God's creations, and will understand this concept more than believing a number change has any power.

If you do make resolutions this New Year, remember to keep God at the center. This will set the best example for your child, and, if in line with God's plan for you, improves your chance for success.

"I can do all things through Christ who strengthens me." Philippians 4:13

Happy New Year to you and your family!

Christi
